8. HeadRoom

HeadRoom, Livingston, Montana. 6,393 likes · 1 talking about this · 20 were here. **HeadRoom** is a world-leading retailer of **headphones** and related audio gear. We offer expertise, selection, and **service**.

9. HeadRoom Max headphone amplifier Stereophilecom

Fortunately there are folks out there like Tyll Hertsens of **HeadRoom**, who has made it a personal mission to bring high-end **headphone** listening to the masses. I wouldn't dream of traveling without his portable Supreme (reviewed by JA in Vol.17 Nos.1 and 2), and I've derived hours of pleasure from his **Home HeadRoom** (reviewed by me in Vol.18 No.1).

10. Headphones Repair Service

Fix **headphones**: Bose, Bose and more for only \$35.- plus parts. Best **Headphone repair**, we are professional in sound, we offer the best and faster **repair service**, look our high rate in Facebook.

11. HeadRoom Max headphone amplifier Maxed Out Stereophilecom

Sidebar 2: **Maxed Out** After my auditioning was over, I asked Tyll Hertsens to explain the evolution of the **HeadRoom** Max: Hertsens: Part of the reason that I designed the **HeadRoom** Max was that we became aware of some parts that had become available for the module—the Burr-Brown 627, which replaced the Burr-Brown 604 op-amp, and the polyphenylene-sulfite film capacitors, which replace ceramic caps.

12. Headroom Max Headphone Reviews and Discussion

Up for sale is my **Headroom** Max **headphone** amplifier in excellent condition. This is a later version, probably in 2004. It has two inputs and one pre-amp out in the back. Filter, process, and gain switches in the front. 8 out of 10 on Audiogon scale. Great synergies with Sennheiser HD600 or 650...

13. Headphone manuals

Interestingly, the older model Level U Pro magnetic **headphone** attachment is not only for convenience of wearing. To answer a voice call or resume a track, you just need to disconnect the **headphones**. And if you want to reject a call or put music on pause, it's enough to bring them together. Very convenient, especially on the go.

14. FS Home Headroom Amplifier and Audio Image Processor

Disclaimer: I have a few items I am selling for a very good friend of mine. I have personally listened to each item and made sure it worked properly and is in the condition stated. Selling Price: \$200 plus shipping and Paypal fees (if used). The **Home Headroom**: This is...

15. SoundStage Equipment Review

However, the **Maxed Out Home** offers serious performance and true high-end **headphone** sound. **HeadRoom** likes to recommend the venerable Sennheiser HD 600 **headphones** with this unit, and I concur. The combination gets you almost all the way to bleeding-edge **headphone** sound without spending an insane amount of money.

16. Headroom AirHead review Headroom AirHead

HeadRoom AirHead The AirHead portable **headphone** amp boosts the output and sound quality of the puny amplifiers in iPods and MP3 and portable CD players--and it works like a charm, although some ...

17. HeadRoom Max Headphone Amplifiers user reviews 43 out

Note: I own the **Headroom "Home"** model, not the Max - I'm posting my review here since there is no way to post reviews of the **Home**. If you're very serious about **headphone** listening then the **headroom** amps are definately worth a try. I've been listening to The **Home** for a about a month now along with Sennheiser HD580's.

18. User Manual

minute. After two continuous beeping sounds, the **headphones** will automatically turn Off. 6. The **headphones** can be used as regular wired **headphones** by connecting your audio source to the **headphones'** jack directly. **Headphones** battery installation 1. To install or replace the rechargeable batteries, carefully pull out the **headphones** cushion

19. 6moonscom

As the name implies, the **Maxed-Out Home** (\$999) is a hotrodde version of the standard **Home** (\$699) and king of the hill until the actual Max (\$1,599 up) which itself is overshadowed by Mondo Maximillian, aka the BlockHead (\$3,333). Measuring 13.5" D -- incl. volume control knob and RCA jacks -- x 6.75" W x 2.4" H, the **Maxed-Out Home** (henceforth MOH, perhaps also a suitably implied abbreviation ...

Audio **manuals** and audio **service** pdf instructions. Find the **user manual** you need for your audio device and more at ManualsOnline. Page 2 of Free **Headphones User Manuals** | ManualsOnline.com

21. 6moonscom

The **headphone** jack in most receivers or CD players is really more of a **headphone** hole than focused output. Through it drain most the vibrancy and full-blooded excitement that your speaker system might already deliver. Exactly how much is flushed down that hole was brought **home** comparing MOH with the jack in my CDR-630: Things got louder. Now ...

22. headroom balanced

If you consider **HeadRoom's** new features, 1) the Switching-Mode Power Supply, 2) the improved built-in DAC, 3) the improved **Home** Module amplifier, and 4) the Balanced Line Ground Scheme, you ought to get; 1a) a better controlled, and punchier sound from a 1.35 ampere power supply; 2a) a more SACD-like high resolution circuit built on a 24/192 ...
